

The Geography Department is seeking a qualified candidate for the following winter course:

**GEOG 260/4 - Mapping the Environment**

Tues. & Thursday 10:15 - 11:30 am

Job Requirements:

Manual mapping skills (map drawing) , fundamental mapping concepts (map projections, etc.) and sufficient Geographic Information Systems background to provide a basic intro to GIS.

CUPFA members will be given priority for this assignment. If you have not received your full allotment of courses, are qualified and interested in this position, or if you know of possible candidates from other Departments, please let me know at [grievance@cupfa.org](mailto:grievance@cupfa.org) by: 5:00 pm. Monday, January 7, 2019.

Your application materials will be forwarded to the Department at the deadline. CUPFA is generally not directly informed of 10.20 c) hiring process details beyond the initial request for suggested applicants, but the Department should contact you regarding the results soon after your application has been received.

If you know of qualified candidates outside of Concordia, please mention them as well in case the course cannot be staffed internally.

Thank you,

Michael Pinsonneault
